Pathway to Separation

I don't even know where to start... Having the support through it all has been so fantastic. You were a huge help to me and after our calls I felt so much more comforted and at ease. In fact, now that it is all over I feel like I have lost a limb - being my legal team who were with me all along the way. I honestly feel at a bit of a loss with the idea that I won't be able to just call for a bit of advice and a pep talk! Please thank everyone at Leach Legal. I will definitely be recommending your firm to anyone that might need you.
